

EtonHouse School Uniform Policy

EtonHouse International School (School) requires all students to wear the EtonHouse School Uniform while at School. On special occasions and events, all parents will be notified of the dress code allowed for the students. Younger students may want to have a change of clothes in their bags in case of accidents.

Students with long hair must tie their hair neatly while at School. The colour of ribbons and/or hair accessories used should ideally be of the same colour as the School Uniform.

The School enforces “no hat, no play” rule. Students need to wear the school hats during outdoor play and PE activities. Students not wearing hats during break/playtime will have no outdoor play. They are required to sit in the assembly area quietly for the duration of the break/playtime. Hats must be labeled. Hats that remain at school will be sent home on a regular basis to be washed to maintain cleanliness.

The School Uniform and hats can be purchased from the Parent Liaison Office.
